Dear Messrs Osborne & Eades,

Re : Audit Opinion, Fuel Adjustment Factor Calculation June 2011

We have examined forward pricing advice and a sample of invoices for June 2011 from your diesel suppliers and advise that in our opinion, the diesel buying price for the weeks commencing 6, 13, 20 and 27 June 2011 were all greater than the 1 September 2006 price, but in all cases the margin was less than 20%.

Yours faithfully,

GBG Audit & Financial Services Limited
