Dear Messrs Osborne & Eades,

Re : Audit Opinion, Fuel Adjustment Factor Calculation November 2011

We have examined forward pricing advice and a sample of invoices for November 2011 from your diesel suppliers and advise that in our opinion, the diesel buying price for the weeks commencing 31 October and 7 and 14 November 2011 were greater than the 1 September 2006 price, but the margin of the difference was less than 20%. In the week commencing 21 November 2011, the diesel buying price was also greater than the 1 September 2006 price, but the margin was greater than 20%.

Yours faithfully,

GBG Audit & Financial Services Limited
